

2. SEARCH FOR YOUR SUPER

Tick this box to provide consent.

By ticking this box, you are consenting to the Trustee of the Resource Super Master Trust (the Fund, Resource Super) using your Tax File Number (TFN) to search for other super accounts you may have, now and in the future, using a facility provided by the Australian Taxation Office (ATO). We will automatically consolidate any ATO-held super (known as Lost or Unclaimed money). If we find any super with other funds we will let you know, so you can decide if you want to transfer them into your Resource Super account.

3. PROVIDING YOUR TAX FILE NUMBER (TFN)

Under the Superannuation Industry (Supervision) Act 1993, your superannuation fund is authorised to collect, use and disclose your TFN. The Trustee of your superannuation fund may disclose your TFN to another superannuation provider, when your benefits are being transferred, unless you request the Trustee of your superannuation fund in writing that your TFN not be disclosed to any other superannuation provider.

Declining to quote your TFN to the Trustee of your superannuation provider is not an offence. However, giving your TFN to your superannuation fund will have the following advantages (which may not otherwise apply):

- Your superannuation fund will be able to accept all permitted types of contributions to your account(s).
- Other than the tax that may ordinarily apply, you will not pay more tax than you need to—this affects both contributions to your superannuation and benefit payments when you start drawing down your superannuation benefits.
- It will make it much easier to trace different superannuation accounts in your name, so that you receive all your superannuation benefits when you retire.

Your TFN will otherwise remain confidential.

Fill in your TFN here:

Do you intend to claim a tax deduction?

If you have made a personal super contribution during the year to your superannuation account, you may be able to claim a tax deduction. If you intend to claim a tax deduction, please complete the Notice of intent to claim or vary a deduction for personal super contributions Form which is available at resourcesuper.com.au/forms and send it to us.

1. These investment options carry a low level of investment risk, which means they are likely to deliver low investment returns. You should read the PDS and/or get financial product advice before you continue. If you have any questions or want more information, please contact us.
2. If you are planning to invest a significant portion of your super in a single asset class, it's worth considering diversification when making decisions about super investments. You should read the PDS and/or get financial product advice before you continue. If you have any questions or want more information, please contact us.
3. These investment options carry a very high level of investment risk. If you're planning to invest a significant amount of your super in these options, it's important to consider this risk. You should read the PDS and/or get financial product advice before you continue. If you have any questions or want more information, please contact us.

Do you want to rebalance your investments?

This is only relevant to you, if you have selected more than one investment option. If you select to rebalance your investments, we reset your account balance on the 15th of each month, to match the original investment strategy you selected.

Below is an example where the member investment strategy is 50% Balanced Growth and 50% Defensive:

	BALANCED GROWTH	DEFENSIVE	TOTAL
Initial investment	\$5,000	\$5,000	\$10,000
Your balance on the 15th of the following month	\$5,300	\$5,100	\$10,400
Your balance after rebalancing	\$5,200	\$5,200	\$10,400

If you select this option, you cannot switch your investments during the two working days prior to the 15th of each month.

5. OPT-IN FOR AUTOMATIC INSURANCE

I am a new member and want to opt-in for the following types of automatic insurance cover:

- Death only cover
- Death and Total and Permanent Disablement cover
- Income Protection cover

Note, if your insurance fees are paid by your employer, you will receive automatic insurance and do not need to opt-in. However, if you are transferred to another division of the Fund you will need to opt-in. This could happen, for example, if you leave your employer.

Important information to note

- If you opt-in we will maintain your insurance even if your account is inactive for 16 months or more, or your account is transferred to another division of the fund (this could happen, for example, if you leave your employer).
- By opting-in you acknowledge that you understand the effect this may have on your account balance and you do not require any further information.
- Limited cover may apply for a period, if you opt in after joining. Please see your Insurance, Fees and Costs Guide for more information.
- If you do not opt in to any cover at this time, when you are at least 25 years old and you have a balance of \$6,000 or more, cover will automatically commence (eligibility requirements and limitations may apply).
- If you choose to opt in to some but not all of the insurance cover available to you, you will have to reapply if you would like that cover in future.
- Insurance fees will be deducted from your account while you have cover, unless your cover is paid for by your employer.
- You can change or opt-out of (i.e. cancel) your insurance cover at anytime by sending us a completed Insurance Request form, available at resourcesuper.com.au/forms or by calling us on Resource Super.

8. ADDITIONAL INFORMATION

Making contributions

If you want to help your super grow faster by making contributions to supplement your employer contributions, please contact your payroll department.

Insurance cover

Any insurance cover you have as a member of the Fund may be an important safety-net for you and your family. Please refer to the current PDS for details. If you would like to increase or decrease your insurance cover, you will need to complete an Insurance Request Form.

Rolling over your benefits

You can consolidate your super by rolling money you have in other funds into Resource Super. If you wish to do this, you will need to complete the Rollover Form or log into your account when you receive your member number and PIN to combine your super.

Nomination of beneficiaries

You should nominate how you want your benefit to be paid in the event of your death.

Types of death benefit nomination

There are two types of nomination you can make, binding or preferred (non-binding).

What is a binding nomination?

When you make a valid binding nomination, you decide who receives your benefit when you die, and how much of the benefit they receive. The Trustee must follow the instructions of a valid binding nomination. This can be useful if you have multiple dependants who may have a claim on the benefit. This benefit is generally faster to be paid.

The following conditions apply:

- To be valid all the beneficiaries listed must be dependants at the time of death and/or be the estate.
- It will be treated as a valid binding nomination for three years from the date the nomination is made. This nomination reverts to being a preferred nomination after the three-year period, if the nomination is not extended by lodging a new binding nomination request.
- It requires two witness signatures. Witnesses must be aged over 18, must not be one of your nominated beneficiaries and must be present when you sign the form. If the witnesses sign and date the form on a different date to your signature, the nomination will be invalid.
- An invalid binding nomination will be treated as a preferred nomination by the Trustee and will not revoke or replace an existing, valid binding nomination.

What is a preferred nomination?

When you make a preferred nomination the Trustee will take into consideration any nomination you make. However, in this case, the Trustee has final discretion in deciding who will receive your superannuation benefit when you die. This can be useful as the trustee can take into account changes in your or your beneficiaries circumstances after the nomination is made.

The following should be noted:

- If there are dependants at the time of death and/or an estate, these automatically exclude any non-dependant from receiving a benefit.
- The nomination should be changed if your circumstances change.
- Although a preferred nomination never expires, a more recent nomination would hold more weight with the trustee than one that is many years old.
- It requires no witnesses.

Who qualifies as a dependant?

Under superannuation laws dependants are, as measured at the time of death:

- Your spouse (including de facto of different or same sex).
- Your children of any age (including step, adopted, ex-nuptial, or a child of your spouse).
- Any person who is financially dependent on you.
- Any person with whom you have any interdependency relationship:
 - any person with whom you have a close personal relationship, and live with, and where one or both of you also provide ongoing financial support, and domestic support and personal care; or
 - the above would apply if was not for either or both of you suffering from a physical, intellectual or psychiatric disability.
