Guides

Important information relating to your category of membership within the Fund is provided in the Insurance, Fees and Costs Guide, the Investment Guide and the Super Guide. These Guides form part of your PDS and should be read before making a decision to invest in the Fund. These Guides are available on your online account.

Your employer fact sheet (if applicable)

You should refer to Your Employer Fact Sheet for a summary of the benefits, options and features that are available to you in your category of membership within the Fund. A copy of Your Employer Fact Sheet is included with your New Entrant Letter. Your Employer Factsheet is also available in your online account.

1. About Resource Super – Employer

The Resource Super Group Pty Ltd advises, constructs and manages superannuation and employee-benefit solutions for Australia's resources sector.

It has selected Russell Investments Master Trust as its superannuation provider in order to draw on the investment expertise of Russell Investments and the trustee services of Total Risk Management Pty Ltd. The Resource Super Group Pty Ltd assists the Trustee to customise insurance solutions for corporations and individuals that operate in or are exposed to higher risk work environments.

Resource Super – Employer, a division of Russell Investments Master Trust, is a MySuper compliant fund that offers competitive fees. Our default investment option is GoalTracker. If you don't make an investment choice, your super will be invested in GoalTracker.

Special arrangements, as negotiated by your employer, are outlined in the Insurance, Fees and Costs Guide, Super Guide and Investment Guide which are part of this PDS. Where relevant, your Employer Fact Sheet, which is not part of this PDS, contains a summary of the features and fees applicable to you in Resource Super.

Information at your fingertips

Visit resourcesuper.com.au/trusteerequireddisclosure for all disclosure information relating to the Fund that must be disclosed under the SIS Regulations. This includes the following: Product Dashboards, the Trustee Deed, Annual Report, remuneration for Executive officers and any other documents required to be disclosed.

2. How super works

Superannuation is a long-term, partly compulsory way of saving for your retirement. There are different types of contributions available (for example, compulsory contributions by your employer, voluntary personal contributions that you choose to make and Government co-contributions). There are limitations on contributions you can make to your superannuation and restrictions on when you can make withdrawals from superannuation. Tax benefits are provided by the Government to encourage you to save more for retirement. Most people have the right to choose which superannuation entity their employer should direct their compulsory employer contributions into. These are known as Superannuation Guarantee (SG) contributions.

In Australia, superannuation investments receive special tax concessions that aren't available to other types of investments. That's why superannuation is such a powerful vehicle to save for retirement. As your superannuation is likely to be one of your biggest assets in retirement, the choices you make today could significantly impact your lifestyle in retirement.

You should read the important information about 'How super works' before making a decision. Go to resourcesuper.com.au/resourcesuper and read the Super Guide. This material relating to 'How super works' may change between the time when you read this PDS and the day when you acquire the product.

3. Benefits of investing with Resource Super – Employer

Your benefit in the Plan is accumulation style. All contributions and positive investment earnings are credited to your account. Any fees, tax and negative investment earnings are debited from your account. When you leave the Fund, the balance of your account will be paid to you (if no longer preserved) or to another fund, as directed by you.

You can choose how your account is invested from the available investment options. In the event of your death or if you become disabled while a member of the Fund, you may be entitled to an insured benefit in addition to your account balance (provided you satisfy any eligibility conditions for provision of insurance). Refer to section 8 'Insurance in your super' for details of the available insurance cover.

What happens when you leave your employer

Transfer to the Resource Super – General

When your employer notifies us (in writing) of the date of your termination of employment, we will set up an account for you in Resource Super – General. When your final contributions have been received, your account balance will be automatically transferred into your membership in Resource Super – General.

Insurance Cover

When your employer confirms to us you have terminated employment you will generally receive at least the same level of Death Only or Death and TPD cover (which will reduce each year as you get older) in Resource Super – General under a different insurance arrangement. Your Income Protection cover (if any), will generally continue with a 90-day waiting period and a maximum period of 2 years in Resource Super – General.

Your cover in Resource Super – General will start from the day after you leave your employer, even though we are notified of your termination of employment later. This ensures you have no gap in insurance cover. Please be aware that you will pay the insurance fees for this replacement insurance cover. The first insurance fee deducted from your Resource Super – General account will cover the period from the day after you left employment until the end of the month in which the deduction is made. Any previous opt in received to maintain your insurance cover will be transferred to your new account in Resource Super – General. If you haven't previously provided an opt in, you can do so now to ensure your insurance will continue in your Resource Super – General account.

Upon transfer to Resource Super – General, you will be assigned an Occupational Category:

- > If you previously were assigned an Occupation Category prior in Resource Super – Employer, this will continue to apply; or
- > If you were previously a Byrnegut Category A (Mine Worker) member, you will be assigned 'Heavy Blue Collar'; or
- > You will be allocated 'Blue Collar'.

You can cancel your insurance cover at any time by logging in to your super account or by completing and returning an Insurance Form (available on our website or call us for a copy).

Fee Changes

It is important to note that your benefits and any fees will change. You will be subject to the terms and conditions (including payment of Resource Super – General fees) set out in the Resource Super – General PDS, which is available online at resourcesuper.com.au/resourcesupergeneralpds.

4. Risks of Super

All investments carry risk. It's the trade-off for the return that investors seek. Different strategies may carry different levels of risk, depending on the assets that make up the strategy. Assets with higher expected long-term returns generally carry the highest level of short-term risk. For example, shares and commodities have relatively higher risk and higher expected returns than fixed interest and cash.

What you should consider:

- > the value of your investments will vary and the level of returns will vary depending on the options you are invested in.
- > returns are not guaranteed and may result in a loss.
- > past returns are not a reliable indicator of future returns.
- > superannuation and taxation laws affecting your super may change in the future.
- > the amount of your future superannuation savings (including contributions and returns) may not be enough to provide adequately for your retirement.
- > the level of risk varies for each person – how you invest your super will depend on a range of factors including your age, your investment timeframes, other investments you may have and your tolerance for risk.

 You should read the important information about the 'Risks of Super' before making a decision. Go to resourcesuper.com.au/resourcesuper and read the Investment Guide. This material relating to the 'Risks of Super' may change between the time when you read this PDS and the day when you acquire the product.

5. How we invest your money

When you join, you'll be invested in the GoalTracker (MySuper) investment option, unless you make an investment choice. The GoalTracker investment option automatically invests your super based on your age, through a diversified portfolio invested across a range of asset classes. When you're younger, your investment strategy will have a higher allocation to growth assets to help grow your super balance. To help protect your savings as you approach retirement, your allocation to defensive assets will increase. Refer to the table below. By telling us more, you can then opt for GoalTracker Plus to create and manage a tailored investment strategy just for you.

 **Warning:** You must consider the likely investment return, the risk and your investment timeframe when choosing a MySuper product or an investment option into which to invest. You should read the important information about 'How we invest your money' which will have details on each of the investment options, before making a decision. Go to resourcesuper.com.au/resourcesuper and read the Investment Guide. This material relating to 'How we invest your money' may change between the time when you read this PDS and the day when you acquire the product.

6. Fees and costs

Did you know?

Small differences in both investment performance and fees and costs can have a substantial impact on your long-term returns. For example, total annual fees and costs of 2% of your account balance rather than 1% could reduce your final return by up to 20% over a 30-year period (for example, reduce it from \$100,000 to \$80,000).

You should consider whether features such as superior investment performance or the provision of better member services justify higher fees and costs. You or your employer, as applicable, may be able to negotiate to pay lower fees. Ask the Fund or your financial adviser.

To find out more?

If you would like to find out more, or see the impact of the fees based on your own circumstances, the Australian Securities and Investments Commission (ASIC) **Moneysmart** website (moneysmart.gov.au) has a superannuation calculator to help you check out different fee options. The calculator can be used to calculate the effect of fees and costs on account balances.

The information in this Fees and Costs Summary can be used to compare costs between different superannuation products. Fees and costs can be paid directly from your account or can be deducted from investment returns. Taxes and insurance costs are set out in another part of this document.

Fees and costs summary

GoalTracker Investment Option

TYPE OF FEE OR COST	AMOUNT ²	HOW AND WHEN PAID
Ongoing annual fees and costs¹		
Administration fees and costs ³	On total account balances up to \$1 million	The asset based administration fee and the fixed dollar fee are deducted from your account on the last Friday of each month ² . The fixed-dollar fee will be indexed with AWOTE ³ at 1 October each year. <i>The Trustee passes through the tax deductions it receives.⁴</i> The Trustee Administration Fee is deducted from the investment returns. It is not deducted from your account. The Fund reserve is maintained by the Trustee to operate the Fund. This includes paying for some expenses, such as costs associated with product and strategic services provided to the Trustee. These expenses are deducted from the Fund reserve, as required, and are not deducted from your account.
	On any excess account balance over \$1 million	
	An asset based administration fee of between 0.15% and 0.21% per year	
	For balances in the GoalTracker investment option: 0.15% per year	
	For balances in other investment options: 0.21% per year	
	Plus a Trustee Administration Fee of 0.02% per year of your total account balance	
	Plus a fixed dollar fee of \$60.00 per year	
	In the 2022/2023 financial year, the Trustee incurred excess administration costs of approximately 0.01% of Fund assets that were paid from the Fund reserve	
Investment fees and costs ⁵	0.65% per year ⁶	The investment fees and costs are deducted from the investment returns before the net earnings are declared and applied to your account. They are not deducted from your account. Please refer to the 'Additional explanation of fees and costs' section of your Investment Guide for further information.

Transaction costs	0.10% per year	Transaction costs are deducted from the investment returns. They are not deducted from your account. Please refer to the 'Additional explanation of fees and costs' section of your Investment Guide for further information.
Member activity related fees and costs		
Buy-sell spread	These spreads vary depending on the investment option(s) you choose. For more information, please visit resourcesuper.com.au/iQbuysellspread .	You can read more about the buy-sell spread in the 'Additional explanation of fees and costs' section of your Investment Guide.
Switching fee	Nil	Not applicable.
Other fees and costs⁷	Insurance fees: For insurance fees, please refer to 'Insurance in your super' in this PDS.	The insurance fee is calculated monthly and deducted from your account on the last Friday of the month. Please refer to Part 2 of your Insurance, Fees and Costs Guide for further information.
	Family Law fees: Family Law fees are payable for information requests.	For Family Law fees, refer to the 'Additional explanation of fees and costs' section of your Super Guide.

1. If your account balance for a product offered by the superannuation entity is less than \$6,000 at the end of the entity's income year, certain fees and costs charged to you in relation to administration and investment are capped at 3% of the account balance. Any amount charged in excess of that cap must be refunded.
~ A fee reduction may apply to these fees. The Insurance, Fees and Costs Guide provides details of the fees that apply to you, including any fee reductions that you may be eligible for.
2. The asset based administration fee applies to the first \$1 million of your total account balance and will depend on the investment option you are invested in. This fee may be charged in two parts and show as separate transactions in your account. Please refer to the 'Additional explanation of fees and costs' section of your Insurance, Fees and Costs Guide for further information on how the cap applies.
3. AWOTE means Average Weekly Ordinary Times Earnings.
4. As the Trustee passes through the tax deduction it receives, the deduction you will see for the fees described above is 0.1275% per year for the GoalTracker investment option, 0.1785% per year for other investment options and \$51.00 per year for the fixed-dollar fee.
5. The Investment fee varies according to the option you invest in. The quoted fee here is for the GoalTracker option.
6. Investment fees and costs includes an amount of 0.08% per year for performance fees. The calculation basis for this amount is set out under the "Additional explanation of fees and costs" section of the Investment Guide.
7. Additional fees may apply. Refer to the 'Additional explanation of fees and costs' section of your Super Guide.

 You should read the important information about 'Fees and costs' before making a decision. Go to resourcesuper.com.au/login and read the Insurance, Fees and Costs Guide for Insurance and Administration Fees and Costs. Go to 'Additional explanation of fees and costs' in the Investment Guide at resourcesuper.com.au/resourcesuper for Investment Fees and Costs. Go to 'Additional explanation of fees and costs' in the Super Guide at resourcesuper.com.au/resourcesuper for all other fee information, such as Family Law, Advice Fees and Fee definitions. You can also find the relevant fee definitions in the ASIC Corporations (Disclosure of Fees and Costs) Instrument 2019/1070 at Division 4A, section 209A at www.legislation.gov.au/Details/F2021C00160. Our contact details are provided on page 8 if required.

Example of annual fees and costs for the superannuation product

This table gives an example of how the ongoing annual fees and costs for the GoalTracker option for this superannuation product can affect your superannuation investment over a 1-year period. You should use this table to compare this superannuation product with other superannuation products.

Changes in fees

The Trustee has the right to change fees at any time without your consent. The fixed-dollar administration fee is automatically indexed to Average Weekly Ordinary Time Earnings (AWOTE) each year on 1 October. Any material increase in the fees you are charged will be communicated to you at least 30 days before they are charged.

EXAMPLE: GOALTRACKER INVESTMENT OPTION		BALANCE OF \$50,000
Administration fees and costs	0.17% per year Plus \$60.00 per year Plus 0.01% (paid from the Fund reserve) ¹	For every \$50,000 you have in the superannuation product, you will be charged or have deducted from your investment \$90.00 in administration fees and costs, plus \$60.00 regardless of your balance
PLUS Investment fees and costs	0.65% per year	And , you will be charged or have deducted from your investment \$325.00 in investment fees and costs
PLUS Transaction costs	0.10% per year	And , you will be charged or have deducted from your investment \$50.00 in transaction costs
EQUALS Cost of product²:		If your balance was \$50,000, at the beginning of the year, then for that year you will be charged fees and costs of \$525.00³ for the superannuation product.

1. This reflects the excess administration costs incurred by the Trustee and paid from the Fund reserve in the 2022/2023 financial year, the Trustee incurred additional administration costs (as described in the Fees and Costs table above).
2. Additional fees may apply.
3. The Trustee passes on the tax deductions it receives so the estimated cost to you would be **\$504.75**.

7. How super is taxed

Superannuation is one of the most tax-effective ways to save for retirement. Even so, taxation laws are complex and subject to change. To make the most of your superannuation, you might like to consult your accountant or tax adviser for specific details about how you will be taxed. This advice may be particularly useful as you approach retirement and need to decide how and when to withdraw your superannuation.

Contributions

Contributions made by your employer, or by you from your before-tax pay, are called 'Concessional Contributions', and these contributions generally have a 15%[^] contributions tax deducted from them. Any money you transfer into your account from an untaxed source (post 30 June 1983 untaxed component only) is also generally taxed at 15%[^].

Contributions that you make from your after-tax pay are called 'Non-concessional Contributions', and these contributions are not subject to the contributions tax because you have already paid income tax on that money.

There are (different) limits on Concessional and Non-concessional Contributions. It is very important for you to be aware that there will be negative tax consequences for you if you breach either of these limits.

[^] High income earners may pay a further 15% tax. Refer to our fact sheet Understanding how super is taxed.

 There are Concessional Contribution and Non-concessional Contribution limits. If these limits are exceeded, there are taxation consequences.

For more information on contribution limits and the co-contribution amount including the current threshold, visit resourcesuper.com.au/rates

Investment earnings

Investment earnings in superannuation are taxed at a maximum rate of 15%. The effective tax rate on some earnings is lower because of further tax concessions or credits available to the Fund. The investment return we disclose to you is net of tax.

Withdrawals

Tax on withdrawals varies depending on your age, the type of withdrawal, and the ratio of taxable to tax-free components in your account. We withhold appropriate tax from amounts we pay to you. Generally, lump-sum withdrawals are tax-free if you are aged 60 or over.

 You should provide us with your Tax File Number (TFN) when you join the Fund. If you or your employer do not provide the Fund with your TFN, all Concessional Contributions will be taxed at the top marginal rate plus Medicare levy and you cannot make after-tax contributions. If you do not provide your TFN to the Fund, tax will be withheld at the top marginal rate plus Medicare levy on the taxable component of any payment made to you.

 You should read the important information about 'Fees and costs' before making a decision. Go to resourcesuper.com.au/login and read the Insurance, Fees and Costs Guide for Insurance and Administration Fees and Costs. Go to 'Additional explanation of fees and costs' in the Investment Guide at resourcesuper.com.au/resourcesuper for Investment Fees and Costs. Go to 'Additional explanation of fees and costs' and 'How super is Taxed' in the Super Guide at resourcesuper.com.au/resourcesuper for all other fee information, such as Family Law, Advice Fees and Fee definitions.

8. Insurance in your super

For detailed information on the insurance cover available (including any limitation that may apply) refer to the Insurance, Fees and Costs Guide at resourcesuper.com.au/login. Insurance fees are deducted from your account on the last Friday of each month where applicable.

Types of insurance cover

The types of insurance cover that may apply.

- > Death only cover
- > Death & Total and Permanent Disablement
- > Income Protection

Automatic or voluntary insurance

Insurance within the Fund could be available on an automatic or voluntary basis.

- > Automatic insurance cover is available where your employer pays for your insurance fees. Otherwise if you have an account balance of less than \$6,000, or you are under 25 when you join, then you will not be provided with automatic insurance cover upon joining. You will need to opt in for this cover.
- > Voluntary insurance cover is cover that is not issued automatically. You must apply for cover and may be required to provide evidence of your health to the insurer, who will decide whether to accept (on standard terms or non-standard terms) or decline your application.

Limitation on insurance cover

If you are a new member under 25 or your balance is less than \$6,000, your cover will not be provided automatically. You will need to tell us if you want insurance cover now. When you reach both 25 years old and you have a balance of more than \$6,000, cover will automatically commence (eligibility requirements and limitations may apply). To opt in to insurance, please log on to your online account or complete and return the Insurance Opt-in Form (available on our website or call us for a copy).

Inactive for 16 months

Where you have insurance and your account has been inactive (where no funds were received) for 16 months or more, your cover will be cancelled. We will contact you if your insurance is about to end. If you want to keep your insurance, you'll need to advise the Fund by calling us or logging in to your online account.

Change or cancel your insurance cover

You can change, opt-out of (i.e. cancel) your insurance cover at any time by logging in to your super account or by completing and returning an Insurance Form (available on our website or call us for a copy).

Death and TPD insurance

If you opt in for Insurance cover on joining the Fund and your employer, you may be eligible to receive Death and TPD cover. If you do not opt in for cover, your cover will automatically commence when your balance is more than \$6,000 and you are over the age of 25 years (eligibility requirements and limitations may apply). Cover is available if you are between ages 15 and 69 years of age and either an 'Australian Resident' or a 'Temporary Resident' (as defined by the insurer). Insurance within the Fund has been customised by your employer and you may be eligible to receive automatic Death and TPD cover or automatic Death Only cover. Your employer can choose to offer:

- > Age-based unitised cover. Where the level of automatic cover is as defined in the Insurance, Fees and Costs Guide, or
- > Tailored cover (for example, a multiple of salary or a % of salary x the period to age 65), or
- > Fixed dollar amount of cover, or
- > Casual employees receive 1 unit of age-based unitised cover.

Limits apply to the amount of cover provided without medical evidence and are based on the number of insured persons within the employer group. For the types, maximum level and insurance fees for automatic insurance cover (where available, subject to eligibility) refer to the following Insurance fee section.

Voluntary cover

You may also be eligible to apply for voluntary Death Only cover or voluntary Death & TPD cover. Generally, voluntary insurance cover is underwritten, which means that you will be asked to provide health evidence and other information to the insurer. Voluntary insurance cover is only provided after the insurer has assessed your application and confirmed in writing that you have been accepted.

Occupational Category

Insurance fees can depend on your age, gender and how the insurer classified your 'Occupational Category'. The Occupational Categories are:

- > Professional
- > White Collar (formerly Low Risk)
- > Blue Collar (formerly Standard)

If you do not take any action you will be placed in a 'Blue Collar' Occupation Category. The most expensive Occupation Category is 'Blue Collar', followed by 'White Collar' and finally 'Professional'. You may apply to the insurer to change your Occupational Category by logging in to your super account or by completing and returning an Insurance Form (available on our website or call us for a copy).

Occupational Categories are not applied to Byrnegut members whilst in Resource Super – Employer. Please refer to your Insurance Fees and Costs Guide for more information.

Income Protection

Your employer may elect to provide eligible employees with automatic Income Protection. Otherwise it may be available as voluntary cover and not issued automatically. If you want this as voluntary cover, you must apply for it and provide evidence of your health to the insurer, who will decide whether to accept (on standard terms or non-standard terms) or decline your application. If you opt in for Insurance cover on joining the Fund and your employer, you may be eligible to receive income protection cover. If you do not opt in for cover, your cover will automatically commence when your balance is more than \$6,000 and you are over the age of 25 years (eligibility requirements and limitations may apply). Cover is available if you are a permanent employee (as defined by the insurer) under age 65 who works at least 15 hours per week. Where provided, your Income Protection cover is up to 75% of your 'salary', as defined by the insurer. If you satisfy the insurer's definition for Income Protection, the benefit is paid monthly in arrears. It offers various waiting periods (30, 60 or 90 days) and benefit period options (2 years, 5 years or through to age 65). Your Income Protection cover may be reduced by any amount of workers' compensation or other payments which you are eligible to receive.

How to apply for cover

You can apply for insurance cover by logging in to your super account or by completing and returning an Insurance Form (available on our website or call us for a copy).

Insurance Fees

All insurance fees shown in this document include the tax deduction the Fund claims for insurance costs and passes on to you. Insurance fees outlined here are current at the time of printing. The Trustee and insurer have the power to alter the insurance fees and you will be given 30 days' written notice of any increases. The types, maximum levels and example insurance fees for the insurance cover (where provided) are shown in the table. The insurer may apply different fees for different employers, depending on the number of employees and their risk profile. Please refer to your Insurance, Fees and Costs Guide for details of the insurance fees applicable to you.

Depending on the nature of your complaint, we may ask you to provide further information in writing so that we can fully understand the complaint. We will provide assistance to you if necessary and a prompt written acknowledgment of receipt of your complaint. Our goal is to handle your complaint efficiently and fairly and we will provide the Trustee's decision as quickly as possible. We generally aim to have complaints resolved within 45 days.

However, if your complaint relates to a death benefit claim or to a declined disablement benefit claim, it may take some time to gather all the information necessary to enable the complaint to be properly considered. You can obtain advice in relation to the complaints handling process or feedback on the status of your complaint by calling us.

If your complaint is not resolved by our internal complaints process or if you are not satisfied with our response to your complaint, you can take the matter to the Australian Financial Complaints Authority (AFCA). AFCA can be contacted at:

Cooling-off period

You have a cooling-off period to reconsider your investment. To withdraw, we must receive your written request within 14 days of the earlier of:

- > The Date you receive your Welcome Statement; or
- > Five business days after you become a member of the Plan.

The option to withdraw is not available if you have exercised your rights as a member, for example, if you have switched investment options.

If you withdraw your investment during the cooling off period, the amount payable to you may be different to the amount you invested due to changes in the unit price, tax and reasonable administration costs.

To withdraw your investment, you will need to complete a Benefit Payment Direction Form which is available on our website. Please note superannuation preservation rules apply.

You should read the important information about 'How to open an account' - go to resourcesuper.com.au/resourcesuper and read the Super Guide. This material relating to the 'How to open an account' may change between the time when you read this PDS and the day when you acquire the product.
