[†] This column gives an example of how the fees and costs for the GoalTracker investment option, with an account balance of \$50,000, can affect your superannuation investment over a one year period.

^{**} If your account balance for a product offered by the superannuation entity is less than \$6,000 at the end of the entity's income year, certain fees and costs charged to you in relation to administration and investment are capped at 3% of the account balance. Any amount charged in excess of that cap must be refunded.

^{††} This includes the excess administration costs incurred by the Trustee and paid from the Fund reserve in the 2022/2023 financial year. Please refer to your PDS for further information.

[~] The asset based administration fee applies to the first \$1 million of your total account balance and will depend on the investment option you are invested in. This fee may be charged in two parts and show as separate transactions in your account. Please refer to the 'Additional explanation of fees and costs' section of your PDS for further information on how the cap applies.

[‡] Investment fees and costs includes an amount of 0.08% per year for performance fees. The calculation basis for this amount is set out under the "Additional explanation of fees and costs" section of the Investment Guide.

^{‡‡} The Investment fee varies according to the option you invest in. The quoted fee here is for the GoalTracker investment option.

^{‡‡} Additional fees may apply. Please refer to your Insurance, Fees and Costs Guide and your Super Guide for more information.

[^] The Trustee passes on the tax deductions it receives so the estimated cost to you would be **\$484.35**.

Your automatic insurance cover

Your employer pays for your automatic cover. Cover will automatically commence provided you join the Fund upon starting employment (eligibility requirements and limitations may apply).

Automatic Death, and Total and Permanent Disablement (Death & TPD) cover

You will automatically receive a \$500,000 fixed dollar amount of Death & TPD cover.

You can request, in writing, additional cover. The additional cover is a fixed dollar amount (i.e. fixed cover that does not reduce with age). There is no limit in the amount of Death cover you can apply for but a \$5 million limit applies to TPD cover. Any voluntary cover is subject to the same fees as the automatic cover. You can also request a change to your insurance cover at any time.

Automatic Income Protection cover

Income Protection cover is available if you are a permanent employee between ages 16 and 64, work at least 15 hours every week, and satisfy the insurer's eligibility conditions.

Benefit	75% of Salary [^]
Benefit period	To age 65 [~]
Waiting Period	30 days

[^] Salary as defined by the insurer and the benefit is subject to a maximum payment per month. We will let you know if the maximum applies to you.

[~] Benefits may reduce by any amount of workers compensation and other payments which you are eligible to receive during your period of disability.

Insurance fees

The insurance fees for your automatic Death & TPD (or Death Only) and Income Protection cover are currently paid by your employer via an additional employer contribution. If you opt out of cover, these insurance fees are not then payable to your account, nor is the employer liable to pay for insurance cover in another superannuation fund on your behalf.

Where you pay insurance fees, the Trustee passes through the benefit of the tax deduction it can claim for insurance premiums. Therefore, the net insurance fees (i.e. the fees deducted from your account) are shown here. Insurance fees depend on your age and gender. Please refer to your Insurance, Fees and Costs Guide for full details of the insurance fees applicable to you.

Opting out of insurance cover

You can opt out of (i.e. cancel) your insurance cover, or reduce or cancel any voluntary cover at any time. To cancel your cover, log on to your account and select Insurance, or send us your completed Insurance Form, available on your online account.

Want to know more about your insurance cover? Read the Insurance, Fees and Costs Guide, available on your online account at resourcesuper.com.au or by calling us on 1800 555 667.
